Dues payment, contributions or gifts to the CRA or CRA's Political Action Committee (PAC) and/or Issues Political Action Committee (IPAC) are voluntary and not tax-deductible as charitable contributions for state or federal income tax purposes. Dues payments to the CRA may be deductible as ordinary and necessary business expenses to the extent they are not used for specific state or federal lobbying expenditures (IRC 162). The CRA has estimated 82 percent of your membership dues will be used for lobbying expenditures and therefore will be non-deductible for federal or state income tax purposes (CRA federal Tax ID #95-1241045). Voluntary contributions:  6.5 percent of your membership dues investment will be contributed to the CRA PAC or IPAC. Contributions to CRA's PAC and/or IPAC are not deductible for any tax purposes and are voluntary (CRA PAC ID #890231/CRA IPAC #901032).  1 percent of your membership dues investment will be contributed to the CRF. This contribution is tax-deductible (CRF Tax ID #95-376630). If you do not want to make one of the above contributions, please check the appropriate box and your entire dues investment will be applied to CRA operations. Your dues investment amount will not change.
